Year, month: 1958
Volume number/section/part: Appendices B – I
Locator label: MB 9
Comments by: Morgan Foy

Notes on document quality: bound in green cover, library checkout card on inside cover

Document type: appendix

Size, pages: 425 pages

Title: Volume V – British Basic Statistical Data

Author(s): Arthur Gayer, Walt Rostow, Anna Schwartz

Year, month: 1953

Volume number/section/part: V

Locator label: MB 16

Comments by: Morgan Foy

Notes on document quality: very fragile condition inside of pink transparent folder

Document type: microfilm

Size, pages:

Title: 78 Country Notes

Author(s): Herbert B. Woolley

Year, month:

Volume number/section/part: 1966

Locator label: CB 3

Comments by: Robin Barrios

Notes on document quality: film is in a small metal canister inside of a small, yellow Recordak box, the descriptive label is torn at the upper right hand corner and the name of the author is handwritten above this spot

Description (about 200 words): the notes and additional appendices contained on this film were not published in the book *Measuring Transactions between the World Areas*

Document type: appendix

Size, pages: about 300 pages

Title: Part 1: Output Series

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 1

Locator label: MB 11

Comments by: Morgan Foy

Notes on document quality: green cover, first page loose

Document type: appendix

Size, pages: about 200 pages

Title: Part 2: Sources and Notes (Series 101 – 455)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 2

Locator label: MB 11

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 2 of an unpublished appendix for Growth of Industrial Production in the Soviet Union, Nutter, G. Warren, Princeton UP, 1962. This part includes data on the sources of output for ferrous metals, nonferrous metals, fuel and energy, and chemicals. A copy marked #2 is located in MB 12.

Document type: appendix

Size, pages: about 175 pages

Title: Part 3: Sources and Notes (Series 501 - 919)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 3

Locator label: MB 12

Comments by: Morgan Foy

Notes on document quality: green cover

Document type: appendix

Size, pages: about 200 pages

Title: Part 4: Sources and Notes (Series 1001 – 1313)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 4

Locator label: MB 12

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 4 of an unpublished appendix for Growth of Industrial Production in the Soviet Union, Nutter, G. Warren, Princeton UP, 1962. This part includes data on the sources of output for other machinery, food and allied products, textiles and apparel, consumer durables, and an appendix on small-scale industry. A copy marked #2 is located in MB 13.

Document type: appendix

Size, pages: 54 pages

Title: Part 5: bibliography

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 5

Locator label: MB 13

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 5 of an unpublished appendix for Growth of Industrial Production in the Soviet Union, Nutter, G. Warren, Princeton UP, 1962. The bibliography is broken up by sources: Russian books, Russian journals and newspapers, and non-Russian books and periodicals. A copy marked #2 is also located in MB 13.
Document name: Supplement to Appendices A-E of Capital in the American Economy: Its Formation and Financing

Document type: appendix
Size, pages: about 50 pages
Title: Annual Estimates 1869-1955, T-Tables 1-15
Author(s): Simon Kuznets
Year, month: 1962
Volume number/section/part:
Locator label: CF 2
Comments by: Morgan Foy
Notes on document quality: bound in brown cover, handwriting on cover and first page
Document name: City Expenditures in the United States, Occasional Paper No. 66

Document type: appendix

Size, pages: 19 pages

Title: Supplementary Appendix E: Differences Between the Observed and Computed Values of per Capita Expenditures for 462 Cities and 40 Large Cities and Their Overlying Units of Local Government

Author(s): Harvey Brazer

Year, month: May 1959

Volume number/section/part: Appendix E

Locator label: MB 1

Comments by: Morgan Foy

Notes on document quality: bound in blue cover, handwriting on cover and first page

Description (about 200 words): The fifth appendix to the Occasional Paper City Expenditures in the United States, Occasional Paper No. 66 (1959). Appendices A-D are located on the NBER website. A second copy is also located in MB 1.
Document type: appendix

Size, pages: two copies, each about 40 pages

Title: Programmed Selection of Cyclical Turning Points in Individual Time Series and Recession and Recovery Analysis

Author(s): Gerhard Bry and Charlotte Boschan

Year, month: 1971

Volume number/section/part:

Locator label: MB 1

Comments by: Morgan Foy

Notes on document quality: two stapled documents inside unbound brown cover, held together by large paper clip

Description (about 200 words): “program description and input instructions for the procedures discussed in chapters 2, 3 and 4”
Unpaid Household Work: Sources and Methods for Estimating Imputed Values

Document type: appendix

Size, pages: 22 pages

Title: Unpaid Household Work: Sources and Methods for Estimating Imputed Values

Author(s): Elizabeth S. Wehle

Copy number:

Year, month:

Volume number/section/part:

Locator label: CB 6

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: document is missing title page

Description (about 200 words): designed as an appendix to the paper by John W. Kendrick, “Expanding Imputed Values in the National Income and Product Accounts”
Document name: Changes in the Recession Behavior of Wholesale Prices in the 1920’s and Post-World War II

Document type: working paper

Size, pages: 65 pages plus 2 pages abstract

Title: Changes in the Recession Behavior of Wholesale prices in the 1920’s and Post-World War II

Author(s): Phillip Cagan

Year, month: July 1974

Volume number/section/part:

Locator label: MB 1

Comments by: Robin Barrios

Notes on document quality: contains unbound two-page abstract, handwritten note on cover

Description (about 200 words): "The present study examines the recession behavior of wholesale prices since World War II and compares it with the mild recessions of the 1920’s. The focus is on changes in recession behavior, possible bias in the data, and the differences in behavior among various groups of wholesale prices."
The chief purpose of this paper is to present for critical appraisal some tentative estimates of the impact of unionism on the interindustrial relative wage structure of the United States in 1958.
Document name: Conference on Research in Income and Wealth, April 1942; Also, Minnesota Income Study: The Field Survey

Document type: working papers

Size, pages: 316 pages

Title: Conference on Research in Income and Wealth, April 1942; Also, Minnesota Income Study: The Field Survey

Author(s): NBER, William Weinfeld, Harold Barger, John Lindeman, Gilbert Milton, Wendell D. Hance, Herbert E. Klarman, Horst Mendershausen

Year, month: April 1942

Volume number/section/part:

Locator label: CF 1

Comments by: Robin Barrios

Notes on document quality: front cover loosely attached, loose portions of pages in Table 3 of “A Statistical Study of Income Differences among Communities”

Document type: preliminary working paper

Size, pages: 83 pages

Title: British Investment in the United States, 1860-1880

Author(s): John J. Madden

Year, month: September 1957

Volume number/section/part: 24

Locator label: CF 1

Comments by: Robin Barrios

Notes on document quality: missing front and back cover, handwritten notes on title page

Description (about 200 words): “The purpose of this paper is to present an estimate of the volume of British investment in the United States during the period 1860 to 1880 when the latter had adopted an inconvertible paper currency and a freely fluctuating exchange rate.”
An Empirical Model of the U.S. Economic Growth: An Exploratory Study in Applied Capital Theory

Document type: working paper

Size, pages: 129 pages

Title: An Empirical Model of the U.S. Economic Growth: An Exploratory Study in Applied Capital Theory

Author(s): Albert Ando, Ralph Beals, David Kresge

Year, month: January 1962

Volume number/section/part:

Locator label: MB 2

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: document contains handwritten note on title page, title sticker peeling off

Description (about 200 words): the paper is divided into three sections: A Model with a Single Good, A Model with more than a Single Good Without Money and Government and, A Model with a Consumption Good, A Capital Good, Government and A Monetary System
“three major objectives: first, to trace from business accounting records the structural and cyclical changes that have occurred in the financial organization of business enterprise since the turn of the present century; second, to determine the cross-sectional pattern of business credit demands during recent years; and third, to describe the adaptations that financing institutions providing short- and medium-term credit have made over the past decade in response to changing demands for their services.”

Document type: working papers

Size, pages: 264 pages

Title: Author(s): Finis Welch, Frances Selhorst, David M. Gordon, Joseph Persky, Jacob Mincer, Masanori Hashimoto, Jacob Mincer, Sherwin Rosen

Year, month: January 1972

Volume number/section/part:

Locator label: MB 1

Comments by: Robin Barrios

Notes on document quality: handwritten notes on cover and title page

Document type: proposed technical paper

Size, pages: 88 pages

Title: Railroad Services in the United States: A Cross-Section Study, 1928 and 1936

Author(s): Lawrence R. Klein

Year, month:

Volume number/section/part:

Locator label: CF 3

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: name written in pencil on title page, title sticker taped to cover

Description (about 200 words): includes the following sections: 1. Introduction, 2. Statistical Methods and Some General Models, 3. Cross-section Studies in the Railroad Industry of the United States, 4. Applications
Document name: Charter and By-Laws

Document type: charters

Size, pages: five copies of charters ranging in length from 6 to 25 pages

Title: Charter and By-Laws

Author(s): National Bureau of Economic Research

Year, month: February 1958 – December 1976

Volume number/section/part:

Locator label: CB 5

Comments by: Morgan Foy

Notes on document quality: Manila file folder labeled 'Charter and By-Laws'

Description (about 200 words): amended NBER charters from 1975, 1968, and 1958 as well as the NBER Retirement Resolution from December 1976
Document name: National Bureau of Economic Research Charter and By-laws

Document type: charter

Size, pages: 15 pages

Title: Charter and By-Laws

Author(s): National Bureau of Economic Research

Year, month: February 12, 1920

Volume number/section/part:

Locator label: MB 13

Comments by: Morgan Foy

Notes on document quality: four copies inside envelope with handwriting on cover

Description (about 200 words): The stated mission of the Bureau as well as laws regarding membership, organizations, positions, meetings and publications. There are three copies of the Charter dated February 12, 1920 and a fourth that is amended through February 24, 1958.
Document name: Hillside; A Center for Experiment and Training in Economic Research

Document type: report

Size, pages: 61 pages

Title: HILLSIDE; A Center for Experiment and Training in Economic Research

Author(s): NBER

Year, month: January 1941

Volume number/section/part:

Locator label: CF 5

Comments by: Robin Barrios

Notes on document quality: handwritten note on title page

Description (about 200 words): description of Hillside property, floor plans, summary of past use, plans for future use
Document name: Hillside; Memorandum to the Committee on Place of Hillside in the Work of the National Bureau, April 27, 1949

Document type: memorandum

Size, pages: 5 pages

Title: Hillside; Memorandum to the Committee on Place of Hillside in the Work of the National Bureau, April 27, 1949

Author(s): William J. Carson

Year, month: April 1949

Volume number/section/part: 

Locator label: CF 5

Comments by: Robin Barrios

Notes on document quality: handwritten notes on first page

Description (about 200 words): this document includes information about the appointment of the committee on Place of Hillside in the Work of the National Bureau, date and terms of acquisition, uses of Hillside, and a table of receipts and expenditures from 1938-1948
Document name: Correspondence from Meyer Presidency

Document type: memorandums

Size, pages: 30 documents ranging in size from 1 – 14 pages

Title: Correspondence from Meyer Presidency

Author(s): John Meyer and others

Year, month: May 1975 – April 1977

Volume number/section/part:

Locator label: CB 7

Comments by: Morgan Foy

Notes on document quality: manila file folder labeled 'Misc_Corresp_Myers_Presidency'

Description (about 200 words): Memos from Meyer to staff regarding the organization of the NBER, staff salaries, and publications. Meyer also writes to board members about his wish to resign as president, his eventual resignation, and a letter announcing Martin Feldstein as president. Also included is a photocopy of a report to the Ford Foundation.
Document name: NBER Newsletter

Document type: internal newsletters

Size, pages: each weekly newsletter is about 1 – 5 pages in length

Title: NBER Newsletter

Author(s): National Bureau of Economic Research

Year, month: October 1971 – June 1974

Volume number/section/part:

Locator label: MB 8

Comments by: Morgan Foy

Notes on document quality: stapled newsletters are bound in brown binder

Description (about 200 words): “Intended for internal circulation, the Newsletter will include such features as staff activities, biographical sketches on ‘additions to the staff,’ brief descriptions of future seminars, reports on Bureau conferences, new studies that are being undertaken, and miscellaneous items of interest that are pertinent to all aspects of the Bureau and its work.” There are copies of the newsletters bound in a light blue cover also located in MB 8.
Document name: Senior Officers Meeting – May 16, 1975 & Sep 23, 1975

Document type: memorandums

Size, pages: 6 documents, each 3 – 28 pages

Title: Senior Officers Meeting – May 16, 1975 & Sep 23, 1975

Author(s): National Bureau of Economic Research

Year, month: April 1975 – August 1976

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: in manila file folder, pink tag labeled as 4/4/75

Description (about 200 words): Agendas and minutes from Quarterly Officers Meetings between 1975 and 1976. Also included is a budget sheet from May 1973.
Document name: Vice Presidents’ Meeting – 1/29/75

Document type: memorandums

Size, pages: 15 documents each 1 – 5 pages

Title: Vice Presidents’ Meeting – 1/29/75

Author(s): John Meyer

Year, month: January 1975

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: in manila file folder, pink tag labeled as 1/29/75

Description (about 200 words): Documents pertaining to a January 1975 meeting of senior researchers and vice presidents. Included are handwritten notes, summaries of projects, memos to the meeting, project proposals and a research activity report.
Document name: Vice Presidents’ Meeting – 4/4/75

Document type: memorandums

Size, pages: 13 documents, each 1 – 5 pages

Title: Vice Presidents’ Meeting – 4/4/75

Author(s): John Meyer, Richard Ruggles

Year, month: April 1975

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: in manila file folder, pink tag labeled as 4/4/75

Description (about 200 words): Documents mainly pertaining to a January 1975 meeting of senior researchers and vice presidents. Included are summaries of projects, agendas, research statuses, budgetary forms and a letter from Richard Ruggles to Robert Lipsey about certain bills in Congress that propose restricting the access of government statistical data to the academic community.
Document name: NBER Bulletins (1922-1940)

Document type: bulletins

Size, pages: 80 documents between 5 – 20 pages each

Title: News Bulletin of the National Bureau of Economic Research

Author(s): National Bureau of Economic Research

Year, month: 1922-1940

Volume number/section/part: 1-80

Locator label: WB 1

Comments by: Morgan Foy

Notes on document quality: bulletins in brown magazine box, some are in very fragile condition

Description (about 200 words): news bulletins summarizing recent research, released five times annually, copies of news bulletins can be found in MB 4 and MB 7

Document type: press releases

Size, pages: a large collection of articles, individually about five pages in length

Title: News from the National Bureau of Economic Research

Author(s): National Bureau of Economic Research

Year, month: 1956 – 1958

Volume number/section/part: I of II

Locator label: MB 6

Comments by: Morgan Foy

Notes on document quality: press releases are bound in a black book

Description (about 200 words): news releases every week or so featuring new research from the NBER

Document type: press releases and newsletters

Size, pages: unnumbered

Title: Press Releases June 1970

Author(s): NBER

Year, month: 1970 – 1975

Volume number/section/part:

Locator label: BB 2

Comments by: Robin Barrios

Notes on document quality: all pages are unbound and contained in a blue 3-ring binder, there is a divider tab noting the beginning of the newsletters, binder also contains “Housing Markets and Racial Discrimination”

Description (about 200 words): this document contains various press releases and various editions of the NBER Newsletter from 1971 to 1974
Document name: Folder with Progress Report of Business Cycle Staff and Classification of Time Series

Document type: reports

Size, pages: progress reports are 1 – 5 pages in length, time series is 49 pages

Title: Progress Reports of the Business Cycle Staff: Covering the Work for 1941

Year, month: 1941

Volume number/section/part:

Locator label: CB 6

Comments by: Morgan Foy

Notes on document quality: progress reports are paper-clipped together, classification of time series data are loose sheets

Description (about 200 words): progress reports on stocks, money and banking, foreign trade, reference dates, transportation and communication, testing business-cycle theories, prices, agricultural production, international financial transactions, wages and earnings in Great Britain, and production
Document name: Housing Markets and Racial Discrimination

Document type: working paper summary

Size, pages: 3 pages

Title: Housing Markets and Racial Discrimination

Author(s): John F. Kain, John M. Quigley

Year, month:

Volume number/section/part:

Locator label: BB 2

Comments by: Robin Barrios

Notes on document quality: unbound 3 pages, stapled, located in front pocket of a blue 3-ring binder which also contains “Press Releases,” first and second pages contain handwritten corrections

Description (about 200 words): this document is a summary of a paper written by Kain and Quigley which addresses the issue of racial discrimination in housing markets
Document type: research summaries

Size, pages: 15 pages

Title: The National Bureau's Research on Indicators of Cyclical Revivals and Recessions

Author(s): National Bureau of Economic Research

Comments by: Morgan Foy

Notes on document quality: stapled reports, paper-clipped together and inside two pink sheets of paper

Document name: Series of Reports on the NBER

Document type: reports

Size, pages: 10 documents ranging in length from 5 – 24 pages

Title: Series of Reports on the NBER

Author(s): National Bureau of Economic Research

Year, month:

Volume number/section/part:

Locator label: CB 6

Comments by: Morgan Foy

Notes on document quality: small documents intended as brochures or pamphlets

Document name: The Statistical Agencies of the Federal Government

Document type: report

Size, pages: about 200 pages

Title: A Report to the Commission on the Organization of the Executive Branch of the Government
Part II

Author(s): Frederick Mills and Clarence Long

Year, month: 1949

Volume number/section/part: II

Locator label: MB 13

Comments by: Morgan Foy

Notes on document quality: inside brown spiral binder

Description (about 200 words): “We shall devote attention to the effectiveness of the existing organization of statistical reports and analysis, to the cost of administration, and to the degree to which the needs of the nation are met, within limits appropriate to governmental activity.”

This report is scanned on nber.org.
Document name: Conference in Comparative Economic Growth and Structure (Sessions I & II)

Document type: transcript

Size, pages: 219 pages

Title: Proceedings

Author(s): National Bureau of Economic Research

Year, month: June 1958

Volume number/section/part: I & II

Locator label: MB 5

Comments by: Morgan Foy

Notes on document quality: bound in blue cover

Description (about 200 words): A discussion on how to organize research into comparative growth and economic structure. The first session begins on page 1 and is led by Simon Kuznets. The second session begins on page 105 and is led by Raymond Goldsmith. Those present also include: Solomon Fabricant, Everett Hagan, Theodore Schultz, Hollis Chenery, Henry Aubrey, Colin Clark, Hans Singer, Joseph Spengler, Alexandre Kafka, A.O. Hirschman, William Jones, John Adler, Ansley Coale, Edward Mason and Richard Ruggles.
A discussion led by Fabricant on how to organize research into comparative growth and economic structure. Those present include: Mr. Chenery, Mr. Clark, Mr. Goldsmith, Mr. Moore, Mr. Schultz, Mr. Spengler, Mr. Hirschman, Mr. Kafka, Mr. Ruggles, Mr. Aubrey, Mr. Hagen, Mr. Bernstein, Mr. Kuznets, Mr. Mason, Mr. Reynolds, Mr. Jones and Mr. Singer.
A discussion led by Solomon Fabricant on the future direction of NBER research. The proceedings begin with Lloyd Reynolds suggesting that the Bureau study other countries and follow Kuznets' direction of examining economic growth. Those present also include: Mr. Burns, Mr. Shere, Mr. Adelman, Mr. Goldsmith and Mr. Moore. The afternoon session begins on page 70 and includes Mr. Viner as well. A second copy marked 'duplicate' on the inside cover is also located in MB 5.
Document name: Panel Discussion on Inflation

Document type: transcript

Size, pages: 82 pages

Title: Proceedings

Author(s): National Bureau of Economic Research

Year, month: September 1972

Volume number/section/part:

Locator label: MB 5

Comments by: Morgan Foy

Notes on document quality: bound together with transparent plastic cover, the word 'inflation' is hand-written in red ink

Description (about 200 words): A discussion led by Solomon Fabricant on the problem of inflation. Those present include: Ms. Steinthal, Ms. Schwartz, Mr. Kuh, Mr. Cagan, Mr. Teper, Mr. Gordon, Mr. Lipsey, Mr. Birnbaum, Mr. Yntema, Mr. Boddy, Mr. North, Mr. Moore, and Mr. Heller
A discussion led by Solomon Fabricant on the possibility of research into the relationship of income taxes and economic growth. Those present include: Mr. Pechman, Mr. Holland, Mr. Keith and Mr. Kahn. There is a copy of this in CB 6.
Document name: Universities – National Bureau of Committee on Cooperative Research (Book I)

Document type: correspondence

Title: Universities – National Bureau of Committee on Cooperative Research

Author(s): National Bureau of Economic Research

Year, month: 1951 – 1952

Volume number/section/part: IV

Locator label: MB 15

Comments by: Morgan Foy

Notes on document quality: stapled documents inside of black binder in poor condition

Description (about 200 words): Committee correspondence and meeting minutes from 1951 – 1952. Meetings include: Conference on Regularization of Business Investment (1951), Conference on Business Concentration and Price Policy (1952), and Conference on Economic Growth (1952).
Document name: Correspondence Regarding Production of Festschrift Honoring Geoffrey Moore

Document type: correspondence, drafts of work

Size, pages: about 25 letters each 1 – 2 pages and two drafts of a speech each 5 – 6 pages

Title: Correspondence Regarding Production of Festschrift Honoring Geoffrey Moore

Author(s): Solomon Fabricant, Philip Klein, Julius Shiskin and others

Year, month: February 1969 – September 1989

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: brown folder with orange tab labeled ‘Geof Moore Conference’

Description (about 200 words): The folder mainly consists of correspondence between Solomon Fabricant and Philip Klein regarding a Festschrift volume, *Analyzing Modern Business Cycles: Essays Honoring Geoffrey H. Moore* edited by Philip A. Klein, (1990). In total, there are 15 letters between Fabricant and Klein where Klein requests Fabricant write a chapter for the volume. Fabricant ultimately was unable to complete a chapter due to health, but still wrote a speech for a party honoring Moore and assisted with edits for Klein’s forward to the book. Also included are a series of letters between Fabricant and Julius Shiskin regarding price indicators, two drafts of Fabricant’s speech in tribute to Moore and a letter from Fabricant’s daughter to the publisher informing them of her father’s death in September 1989.
Document name: Correspondence Regarding the Technical Committee of the American Statistical Association

Document type: individual documents, letters

Size, pages: 14 letters each 1 – 2 pages, drafts of report each 3 – 5 pages

Title: Correspondence Regarding the Technical Committee of the American Statistical Association

Author(s): Solomon Fabricant, Bruce Mudgett, and others

Year, month: February 1953 – June 1953

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: manila file folder with red notes on cover and labeled ‘ASA Committee on BLS Price Indexes’

Description (about 200 words): Correspondence regarding the Technical Committee of the American Statistical Association appointed to advise the US Bureau of Labor Statistics on price index number revisions. Included are twelve letters between Solomon Fabricant and Bruce Mudgett, drafts of the report from the Technical Committee and two notes to Fabricant thanking the committee for their work.
Description (about 200 words): The correspondence mainly concerns the creation of Kuznets’ book with Elizabeth Jenks, *Capital in the American Economy: Its Formation and Financing* (1961). In 28 letters from 1954 – 1961, Kuznets and Fabricant discuss the early stages of the book, Jenks’ role in its production, and Fabricant corresponds with other economists and policy makers who request advance copies. Also included: Kuznets writes about his desire to leave the Bureau (two letters from 1953 – 1954), discussion of NBER budgets and staff salaries (eight letters from 1953 – 1959), a thoughtful note from Paul Samuelson to Kuznets on his 60th birthday (1961), and several other typed and handwritten notes between Kuznets and Fabricant about each other’s work, chair positions, and conferences.
Document name: Documents and Correspondence Related to the Encyclopedia of Business Cycles

Document type: individual documents, letters

Size, pages: eight letters, five administrative documents and several handwritten notes

Title: Documents and Correspondence Related to the Encyclopedia of Business Cycles

Author(s): Solomon Fabricant, David Glasner

Year, month: February 1988 – June 1989

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: brown accordion file labeled ‘Encyc. of Business Cycles’

Description (about 200 words): Eight letters between Solomon Fabricant and David Glasner, editor for the Encyclopedia of Business Cycles, in which Glasner requests Fabricant write articles for the upcoming publication on topics such as the NBER and Wesley Mitchell. Also included are a variety of handwritten notes presumably by Fabricant and administrative documents related to the Encyclopedia including guidelines, a list of potential authors, and a schedule for completion.
Document name: Folder of Letters from 1963

Document type: letters

Size, pages: 3 documents, each 1 – 2 pages

Title: NBER letters to staff and list of employees

Author(s): William Carson and John Ward

Year, month: 1963

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: inside unmarked manila file folder

Description (about 200 words): three documents: letter from William Carson to staff regarding the death of Helen Neil and the handling of her former responsibilities, a list of NBER employees, and a letter from John Ward to staff regarding purchasing new office machines
Document type: correspondence

Size, pages: about 50 documents, each 1 – 10 pages

Title: Letters and Correspondence to and from Thomas Juster, Solomon Fabricant, John Meyer

Author(s): Thomas Juster, John Meyer and others

Year, month: 1972 – 1975

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: in manila file folder with writing on cover

Description (about 200 words): The folder contains correspondence to and from Thomas Juster and John Meyer regarding the hiring of research assistants, meetings of the Research Policy Committee and conferences. Also included are various memos, meetings minutes and NBER budgets.
The majority of correspondence is between Lipsey and Gordon where they share ideas and discuss timelines for the book. The folder also includes correspondence between Gordon and McLure regarding responsibility of the manuscript, between Lipsey and Irwin Miller regarding diesel engine prices, and between Lipsey and others regarding early copies of the manuscripts. There also is a New York Times article cutout about used car sales in Moscow and five letters between Oswald Knauth and Frederick Mills from 1940 that Lipsey thought Gordon would be interested in.
Mitchell writes to Russian economist Sergei Pervushin about sending him a copy of *Business Annals* and describes about how the duration and amplitude of cyclical fluctuations are subject to change in large countries.
Document type: letters and reports
Size, pages: unnumbered
Title: NB Research Program – General: Documents Letters
Author(s):
