Professor Constantine Yannelis seeks one full time Research Professionals for a period of at least one year but ideally two years. Research Professionals work with faculty to collect data, maintain databases, conduct statistical analysis, and provide other support associated with faculty research.

The ideal candidate will have (i) a Bachelor's degree or higher in a field relevant to the research being conducted by August 2019 required, concentration in Economics, CS, Math or Statistics preferred, (ii) a minimum of one year of relevant research experience required. Experience gained in school counts towards the requirement, (iii) experience with Stata or another statistical package such as SAS, R, or SPSS and a willingness to learn Stata preferred. Background in economics or finance is a plus, but not necessary—candidates with strong technical backgrounds and writing skills who are looking for more exposure to economics are welcome to apply.

The preferred start date is August 1, 2019, though other dates may be considered. Applications will be evaluated on a rolling basis, but all applications submitted by May 17, 2019, will be given full consideration.

We pay an annual salary of $48,000 and provide standard benefits such as health insurance.
